Who can apply: Kids ages 8-15 are eligible to participate. We recommend getting a group (of five or less) siblings/friends/neighbors together to create and sell a product.

What can you sell: All items must be made or grown by you or your immediate family. Handmade food items (for example: muffins, granola, lemonade, cookies), plants, vegetables, herbs, and eggs are permitted. No resale of items you purchase is permitted. For example, you would not be allowed to buy cookies from Costco and resell them. You can (and should!) make cookies from a special family recipe and sell them. Craft items you make yourself are also permissible.

Space availability: Space is limited and spaces will be assigned according to product diversity. Think outside the box! We will provide a tent and table for you to use in a partially shaded area. You are welcome to bring signs for pricing and advertising. You are responsible for removing all trash from your booth from the park.

Chaperones: Each vendor group must have one adult with them at all times. The adult will be responsible for overseeing the set up and break down of the child's booth.
